**Homework:**  
POW final draft **due Monday**  
Homework packet **collected Monday**

**Problem of the Week:** 5 Points (Show solution and all work on another paper for full credit.  
Your final draft must be in Cornell Notes style.)

Complete Final Review #2 in Cornell Notes style. Show work for all problems on the right hand side and describe all steps on the left hand side. These problems are an accurate representation of your final exam that counts for a large part of your semester grade. Save this POW and use it to study for the final.

~~~~~
